Re: U.S. v. Reilly Tar & Chemical Corp.  
File No. Civ. 4-80-469

Dear Mike:

Enclosed and served upon you by United States mail is the Response Of Plaintiff-Intervenor State Of Minnesota To Request Of Reilly Tar & Chemical Corporation For Production Of Documents Dated June 3, 1983.

As you will see in our response to Requests 1 and 2, we believe that we have already produced to Reilly Tar all documents in the State's possession which are responsive to these requests and which are not privileged. We can make arrangements for further inspection of files previously produced if you so desire.

The same would be true for many, but not all, of the documents responsive to Request 3. Again, we can make arrangements for further inspection of previously produced files.

We would prefer to make the production of documents at the State's offices. Please call me or legal assistant Ken Stevenson at 296-7342 to arrange a mutually convenient time for the production.

Very truly yours,

STEPHEN SHORMAN  
Special Assistant  
Attorney General
